

Play Place Innov8 CIC is a constituted community interest company who provide a range of educational and fun activities for children, young people and communities. At Play Place we believe that 'Everyone Counts' and we work with residents and local partners to deliver tailor made activities.

Our published constitution includes:

- Working with children, young people and adults
- Community development and participation
- Specialist services to vulnerable young people

We provide activities in Croydon, Bromley, Dartford, London and Sevenoaks. Our projects reach some of the most disadvantaged communities, often providing support where nothing has existed before and where our input may have a significant impact. Our values include supporting an Asset Based Community Development (ABCD) approach and we develop services that get communities working together.

## Schools Programme

# What can we offer you?

CABS schools programme offers a range of options for developing sessions for their young people.

Available options include:

- 2 Hour session for up to 8 young people
- All day sessions
- Pay-for-place
- 1:1 Sessions
- Tuesday evening youth sessions
- New Directions
- End half term track days

## 1/2 day session

This is for up to 8 young people, delivering practical mechanical skills, theory work with AQA accreditations and riding (all three elements may not be completed during one session).

Costing: Price on request

## All day session

These can be 10 – 3 pm with an hour lunch break or 10 – 2 pm with a half-hour lunch break, depending on the school's needs. All-day sessions will be for up to eight young people, delivering practical mechanics skills, theory work with AQA's (20 accreditations a year for £25 per person) and riding time at the end of each session.

Costing: Price on request

## Pay-for-place

Any school, social services, or YOT services can refer a young person for a Pay for Place. This can be delivered in either doing 2-hour sessions or whole-day sessions, in which the young people will be integrated into the pay-for-place group of up to eight young people. Sessions will consist of practical mechanics, theory work, AQA accreditations and riding.

Costing: Price on request

## 1.1 sessions

In some cases, young people need the option to complete 1.1 sessions. The sessions can be delivered in a 2- an hour or whole day session and will consist of Practical Mechanics, Theory work, AQA accreditations and riding.

Costing: please contact us for more information

## Tuesday youth sessions

CABs evening youth sessions run during the term time for any young people aged 11 – 18.

Young people can self-refer, which gives young people an opportunity who have a love for mechanics and motorbike sport to join in with the fun.

In each session, young people will be able to fix motorbikes and develop their riding skills on our training track. Once every term, either on the weekend or during the holidays, a track day will take place for young people.

**Time: 4pm – 6pm**

The project is funded and free for users. However, a £10 cost would apply for track days.
